DIVIDE HIGH SCHOOL *Nolan, Texas* *Alma Mater*

Hail to the school we love, ours to defend
Loud may her campus echo, when in praise
our voices blend
For none with her can compare, honor her name
We'll always love Divide and strive to bring
her hosts of undying fame.

Dedication

He's a sure and steady thinker,
He's the strong but silent man.
His type has been in evidence
Since when the world began.

But in every case there always
Is an exception to the rule;
He's a pillar of education,
He's a symbol of our school.

And so to MR. PETTY;
"Your worth we cannot measure,
But your words of knowledge and advice
Will always be a treasure".

FOREWORD

It has been our aim to produce a yearbook which will present our school as you would always like to remember it. In order to clearly represent the activity, the progressiveness, and the happiness of our school, our watchword has been simplicity.

As a tie that binds those who are yet to come and those who have gone before, we present THE TROJAN of 1947.

Superintendents' Message

Prepare Today to Best Serve Tomorrow:

Nothing has ever been accomplished without preparedness. Preparedness had to first be envisioned. To make of your lives a masterpiece for service is the greatest plan and accomplishment you can desire. Education is the guiding genius of a democracy. A democracy offers the best way of life for service. Let the difficulties you will encounter today be the challenges to win tomorrow. And so face the future with a dauntless courage, remembering that the future of our America rests with the honest, loyal and successful citizens of your generation.

Sincerely yours,

J. M. GLASSCOCK

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in the production of this book. It indicates the wealth of ideas and ability which have made possible the long record of our school annual achievement.
